A HIGH VALUE ON DIVERSITY

Albukhary International University

The beauty of Albukhary International lies not just in its rich and beautiful architecture but also – and very importantly – in the diversity that can be seen in the countries of origin of its students and academic staff.

Sharifah Rokiah Centre of Excellence

The Albukhary International University was founded by Syed Abdur Albukhary and is located within the Sharifah Rokiah Centre of Excellence. The Centre is named in honour of his mother and is spread over a 3.635-hectare (7.5-acre) site in Alor Setar, the birthplace of the founder.

What our students say

"It's not always about where you come from but rather how far you can push yourself. High possibilities that come your way and you will start an amazing journey. Respect cultures and beliefs and believe in your, and others will respect you. Always understanding is the key to success for both your work and personal life."

Mark Badran @ 11/06/2014
