What Are Our Vision?

A global endowment instatution that deals with aspects of educational and research development in its various fields to serve and develop the nation.

What Are Our Goals?

We are focusing on issues where we as a company can make a significant contribution.

ADOPTING ACADEMIC
Adopting academic scholars and educators, capable of guidance.

THE FUNDING
The funding of purposeful and modernist scientific research in the humanities and applied sciences

PRINCIPLE OF MODERATION
Encouraging the principle of moderation and spreading Islamic culture in tolerance and communication.

CONSOLIDATION OF COMMUNITY
Consolidation of community awareness and preservation of the existence and identity of Muslim minorities.

What Are Our Values?

Our values are part of our DNA. They guide the way we work with our charity partners, within our communities and with each other.

TRANSPARENCY AND PUBLICITY

SINCERITY IN ACTION
